ABOUT SUNRICE AGRO

Our Vision & Mission in Nagpur

SunRice Agro is dedicated to serving customers with quality rice products sourced from rich tribal farming regions of India, processed using modern standards while maintaining transparency, trust, and ultimate satisfaction. We believe that food purity and robust distribution networks construct the pillars of long-term commercial satisfaction.

Based in the heart of Maharashtra, we procure our cultural wealth directly from pristine landscapes. We focus on modern processing, hygienically sealed 30KG packing solutions, and a friction-free wholesale communication system.

- 100% Sortex Clear & Dust-free grains
- Sourced from tribal farming regions
- Double-combusted regular packaging
- Full Food Safety Compliance

Our Vision

To become a highly trusted and preferred premium name in the agricultural rice industry by consistently delivering quality polished, hygienic products and developing reliable, lasting relationships with households, wholesalers, and retail chains.

Our Mission

To provide exceptionally premium, sortexed, non-sticky rice packaging solutions while committing to stellar, transparent communication, structures, strict order validation, rigorous logistical support, and continuous product refinement.

CORE STRENGTHS

Why Choose SunRice Agro?

Premium Quality Grains
Carefully graded, sortexed, and polished to meet strict international quality standards and ensure a premium taste.

Modern Food Processing
Processed in advanced plants with automated sorting, grading, and packing systems.

Export Grade Standards
Adheres to international standards and ensures consistent quality across all products.

Trusted Distribution
Robust wholesale distribution and a dedicated retail chain network across India and global markets.

OUR RICE PRODUCTS

Premium Rice Collection

SunRice Agro offers a carefully selected rice range processed under high hygienic conditions — perfect for homes, restaurants, distributors, and exporters.
